

Eastern District Championships at Musselburgh,
January 18th. The Edinburgh University first
team, holders of the senior title, were absentees
away in Belgium contesting the European Club

Championships. After a close race-long tussle with Don McGregor, Adrian Weatherhead proved to have the stronger finish and clinched the title by fifteen yards. A shock third-placer, ahead of Olympian Gareth Bryan-Jones, was the come-backing Fergus Murray who is clearly well back on the road to peak fitness.
