6. Fixtures / Championships

Scottish Athletics Limited
Road Running and Cross Country Commission

- 6.1 Inter District: timetabling changes noted. Disappointment noted that televised races will not include Inter District athletes whose races have now been separated out. Senior women run 5 short laps at 9.55 a.m. Senior men conclude the programme with 3 long laps at 2.30 p.m. Discussion took place on future involvement with regard to the revised programme offering appropriate competition within the aspirational race structure for the cross country programme. Agreed to review and discuss at next meeting. **Action: RRCC2011-41: AJ**
- 6.2 National Championships: Falkirk Victoria Harriers have been asked to set the course. School and catering has been booked. RC in contact with Falkirk Council. Meeting will take place early in 2012 to confirm final details. AJ & RC to be involved. **Action: RRCC2011-42: RC/AJ**
- 6.3 Masters Championships: All arrangements progressing, nothing new to report.
- 6.4 Home International: This event follows 1 week after the Inter Counties in Birmingham. A convenor is required (18/3/12). AP to check his availability with a view to AP and GS taking on joint convenorship. **Action: RRCC2011-43: AP/GS**
- 6.5 4-6 Stage Relays: All arrangements progressing, nothing new to report.
- 7. District Report**
- 7.1 MD and GS reported on a number of matters raised at the recent West District meeting as follows:
- ◆ Medals at District Championships – covered by UK Rule 10 which means that an unattached runner can win a district medal if one of the three eligibility criteria is met.
 - ◆ Veterans – request to consider medals awarded at District Championships in 10 year age bands **Action: RRCC2011-44: AJ/RM**
 - ◆ GGH Proposal – broad support though recognition of increased administrative burden and request that there is a coming together of the admin elements for clubs and SAL. The Commission discussed the proposal at this stage and whilst some merit was noted and agreed, it was felt it required further consideration and analysis on the impact on competition administration as well as financial implications. Matter to remain under consideration by the Commission. **Action: RRCC2011-45: AJ/RM**
 - ◆ Online entry – view this would assist with GGH proposal and also ease processes for club secretaries relating to championship entries.
- 8. Stewarts Grand Prix**
- 8.1 Noted funding no longer available and agreed to change to SAL CC Grand Prix with funding identified from budgets to maintain. No funding identified for RR season however feeling is that the Grand Prix is essential to the road race structure. Aim to identify funds as soon as possible. **Action: RRCC2011-46: NH**
- 9. European Team Competition**
- 9.1 EAC won the team race but were subsequently disqualified on the basis that two athletes were not eligible to compete. MJ report on Scottish team – no need to send team winning Nationals but should sent team 'best placed' for competition. Further discussion to take place. **Action: RRCC2011-47: MJ**
- 10. North Championships**
- 10.1 Relates to letter received from Moray Roadrunners. RM spoke to SD requesting this is resolved. **Action: RRCC2011-48: SD/RM**
- 11. Short Course Team Challenge**
