Shettleston challenge Bellahouston's dominance

THE Western District CC Relay Championship, held over a testing course at Bearsden on October 20th, attracted a record number of 118 teams and gave Shettleston their first win in the event since 1978, over last year's winners and favourites, Bellahouston. The Lanarkshire club's success was due to a blend of good team running from Junior, Brian Scally (14:41), Peter Carton (14:29) and promising newcomer, John Mudie (14:30), and to a sparkling display of power running from Nat Muir, whose time of 13:17 was easily the fastest of the day.

David Cooney reporting

While Shettleston were clear winners by 250m, there was an exciting scramble for the minor places on the last leg between Bellahouston's George Braidwood, Kilbarchan's Robert Quinn and Spango Valley's Chris Leck. Quinn, a UK Junior international, gradually pulled in his two rivals and the three protagonists remained locked together until Braidwood's superior sprint finish took him past Quinn, who in turn held off Leck. The protracted tussle that the three runners had was reflected in the times they recorded, with Quinn's 13:53 being second fastest of the day, Braidwood (14:07) fourth fastest and Leck (14:08) fifth fastest.

In the Young Athletes race, comprising a Junior Boy, a Senior Boy and a Youth, the promoting club, Victoria Park, secured victory, which was a fitting reward for their sterling effort in organising the event. Their team of S. Barnett (12:18), J. Logan (11:21) and M. Wallace (10:59) led all the way, although Clydebank's B. Donnelly (10:40) came to within four seconds of the final Victoria Park runner. Kilbarchan's young team matched their elders by holding on to third place from a fast finishing Alastair Russell of Law, who recorded the fastest time of the day (10:28).
