

NEW ZEALANDERS SHINE AT THE SCOTTISH CHAMPIONSHIPS

IN conditions that were slightly heavy underfoot, at Hamilton Park last Saturday, notable absentees were Fergus Murray, winner for the past three years, and Ian McCafferty. Alex Brown set the early pace and led for about 2 miles when New Zealander Eddie Gray came through to take the lead for a mile, with Lachie Stewart at his heels. With 4 miles covered Gray had opened up a lead of about 60 yards on Stewart, with a band of Kiwis further back followed by the Brown brothers. Another 30 yards behind were Jim Alder and J. Wright. Gray was now running with great confidence and at 5 miles he was 100 yards in front of Stewart. But in the closing stages Stewart fought back and had closed to about 50 yards at the finish. New Zealand won the match with Scotland by 26 points to 58.

The Junior event was a keen duel between Eddie Knox and Alistair Blamire which

finished with Knox just getting home by about 4 yards. Having won the senior team race, Edinburgh University completed a fine double in winning the junior event as well.
