

WEDLOCK SHOCK WINNER OF SCOTTISH TITLE

At Duddington Park, Edinburgh, February 22nd

THE Scottish 7 Miles cross country Championship was run over a park that closely resembled a half-frozen lake as a result of a quick thaw earlier the same day. In conditions that were atrocious for athletes, officials and spectators alike Ian McCafferty was a non-starter while Lachie Stewart and Alasdair Blamire have only recently resumed training after illness.

The senior race was run over five laps of a 1½ mile circuit and on completing the initial lap Jim Alder headed a group consisting of Dick Wedlock, Fergus Murray, Jim Wright and John Myatt with another bunch some ten yards further back comprising Bill Mullett, Don Macgregor and John Linaker. The next two laps saw little or no change in these placings but near the half-distance Wedlock took the lead from Murray and the pair opened up a gap of twenty yards on the rest with titleholder Lachie Stewart currently lying tenth. Over the final lap Wedlock, undoubtedly the "find" of the winter north of the border, opened up a forty yard gap over Murray and, with Mullett claiming third, produced a result that few could have accurately predicted.

The Junior "5" was won by Norman Morrison after a keen race-long tussle with Alan Beaney while the 6'3½" John Lees was a rather more comfortable winner of the Youths "3", running out with a sixty yard margin.
