FOR THE ATTENTION OF TEAM MANAGERS AND CLUB OFFICIALS

Recent reports of vandalism at Cross Country events is giving cause for concern. Not only is this type of behaviour damaging other people's property, it is damaging the sport of amateur athletics and must be curtailed now.

It is a great pity that needless acts can spoil what can otherwise be a successful day for competitors, officials and spectators, so it is up to everyone to see that it does not happen in Dundee today. Such incidents can only serve to bring the sport into disrepute and make it all the more difficult for organisers to obtain future premises and sponsors.

The Convening committee appeal to all team captains and club officials to make every effort to see that athletes under their supervision behave in a proper manner and also report any acts of misbehaviour by other runners to a S.C.C.U. official.

It is regrettable that it has been necessary to make this appeal, but it must be made and made in the strongest possible terms, so that the problem is highlighted and the proper action taken.

Your co-operation would be appreciated.

NOTES

COVER BACKGROUND PHOTOGRAPH

An inter-club run between runners from Teviotdale Harriers, Edinburgh Harriers and Edinburgh Northern Harriers, who met at Hawick on New Year's Day, 1886. The photograph was taken at the rear of a Hawick hotel, hence the inclusion of a porter, bellboy, chambermaid and barman in the group.
