FOR THE ATTENTION OF TEAM MANAGERS AND CLUB OFFICIALS

Recent reports of vandalism at Cross Country events is giving cause for concern. Not only is this type of behaviour damaging other people's property, it is damaging the sport of amateur athletics and must be curtailed now.

It is a great pity that needless acts can spoil what can otherwise be a successful day for competitors, officials and spectators, so it is up to everyone to see it does not happen in Irvine today. Such incidents can only serve to bring the sport into disrepute and make it all the more difficult for organisers to obtain future premises and sponsors.

The Convening committee appeal to all team captains and club officials to make every effort to see that athletes under their supervision behave in a proper manner and also report any acts of misbehaviour by other runners to an S.C.C.U. official.

It is regrettable that it has been necessary to make this appeal, but it must be made and made in the strongest possible terms, so that the problem is highlighted and the proper action taken.

Your co-operation would be appreciated.

THE TROPHY

FOR OVERALL TEAM PERFORMANCE

Rules Determining Winner of Trophy

- a Clubs will be awarded points in each race equal to the finishing position of their team. That is, 1st team (1 point), 2nd team (2 points), etc.
- b The A. T. Mays Trophy will be awarded to the Club that scores the lowest aggregate number of points over the five National Championships calculated as per part a.
- c If part b fails to obtain a result then only Clubs that have finished a senior team and declared teams in all other races are eligible for this Trophy. In this case the Trophy will be awarded to the Club with the lowest aggregate number of points calculated as follows:
 - For finishing teams points are awarded as per part a.
 - For declared but non-finishing teams the points awarded will be the highest team placing plus 1.
 The result will be determined for Clubs with 4 finishing teams and if failing to achieve a result for 3 finishing teams and then 2 finishing teams.
- d Clubs not finishing a senior team are not eligible for this trophy.
- e In all cases in the event of a tie the position of the Club finishing highest in the senior race will be adjudged the winner.
