A message from the CONVENER OF THE ROAD RUNNING AND CROSS COUNTRY COMMISSION

MEN'S NATIONAL

It is with great pleasure that I welcome, on behalf of the Road Running and Cross Country Commission, all members of the cross country world to Callendar Park this afternoon—Callendar Park is a venue which is familiar to most of us and one which provides an excellent setting for cross country running. I hope that, despite all the atrocious weather we have experienced recently, we will be lucky enough to have a few days of drier weather to ensure a firm footing for competitors and spectators alike.

This is, of course, the Commission's first National Championships to be held under the banner of the Scottish Athletic Federation. The Federation was formed in October 1992, and it does not seem possible that we have reached already the busiest weekend in the cross country calendar—the ladies have the centre stage at Irvine tomorrow.

I wish everyone 'good running' and thank all those who have put so much time and effort in to ensuring the success of today's event. Our thanks go, particularly, to Falkirk District Council for their support in allowing us the use of today's facilities and to REEBOK for their financial support.

ROBERT L. McSWEIN
Convener

An invitation to Preview The Callendar House Project

The first two phases of the refurbishment programme of the Callendar House project are due for completion in the spring of 1993. To date, significant progress has been made in the development of the museum display featuring the History of Callendar House and in the restored Kitchen and Scullery areas.

In view of the local interest in Callendar House the Council has decided to extend an invitation to the people of the district to Preview the project before the official opening in 1993.

You can gain access to Callendar House free of charge from Monday to Saturday between the hours of 10 a.m. and 5 p.m.
