

Reebok®

PRESENT THE

HARRIER XC SPIKE

Designed for the toughest conditions that cross-country running can offer.

Tested on the most demanding terrain, the carbon rubber outsole offers optimum traction on all surfaces.

The skeletal spike plate ensures forefoot flexibility, whilst the EVA midsole supports and cushions every stride.

ROBERT L MCSWEIN
CONVENER, ROAD RUNNING AND CROSS COUNTRY COMMISSION
SCOTTISH ATHLETIC FEDERATION

It is my great pleasure to welcome on behalf of the Road Running and Cross Country Commission, all members of the cross country world to Beach Park this afternoon - the Beach park is a familiar and much enjoyed venue to most of us and one which usually produces ideal courses for cross country running. I hope we will be fortunate enough to have good conditions for the benefit of both competitors and spectators.

This is, of course, the Commission's first National Championship under the auspices of the Scottish Athletic Federation. The Federation was formed in October 1992, and here we are already at the busiest weekend in the cross-country calendar - the men having had their big day at Falkirk yesterday.

I wish everyone 'good luck' and thank the many people who have worked so hard to ensure success for today's event. I would like to thank, in particular Irvine Development Corporation and Cunninghame District Council for their long standing support of our sport. Our thanks too, to REEBOK, for their financial support.

JEANETTE MASON
DEPUTY CHAIRMAN
IRVINE DEVELOPMENT CORPORATION

It is my pleasure, on behalf of Irvine Development Corporation to welcome everyone associated with the 1993 Women's National Cross Country Championships to Irvine.

This year for the first time, we welcome the Road Running and Cross Country Commission as part of the Scottish Athletic Federation. We wish the new organisation every success in the future.

Although the organisation of cross country events has changed, the people connected with the sport are the same friends who have visited Irvine many times over the past twelve years.

A constant factor each year is the excellent facilities at Beach Park and Magnum. One variable is the weather. I wish all the officials, athletes and spectators good weather and an enjoyable and memorable championship.

COUNCILLOR JAMES CLEMENTS
CHAIRMAN OF LEISURE SERVICES
CUNNINGHAME DISTRICT COUNCIL

On behalf of Cunninghame District Council, I am pleased to welcome athletes, officials and spectators to Irvine for the 1993 National Cross Country Championships.

The Beach Park and the adjacent Magnum Leisure Centre provides an ideal venue for this event and hopefully the weather will make it a day to remember for all those involved.

The District Council is pleased to be associated with an event like this and I wish every success to the competitors taking part.

**Scotland's
all-weather
leisure resort**

A seaside town soaked in tradition, Irvine is the ideal spot for a family day out. The Historic Irvine Burns Club and the Glasgow Vennel where the Bard worked and lived, Eglinton Country Park, the Scottish Maritime Museum, 150 acres of outdoor pleasure in Beach Park and almost every indoor activity imaginable in the Magnum mean there is something for everyone in Irvine.
