It is with great pleasure that I welcome all competitors and their supporters to this the year 2000 Scottish National Cross Country Championships, here at the Irvine Beach Park and Magnum Leisure Centre.

The Beach Park and the Magnum Leisure Centre have proven to be an ideal venue for major cross country events, providing excellent outdoor and indoor facilities for both organisers and competitors.

Over the years, the Local Authority has been justifiably proud of the links which have been forged with the Scottish Athletics Federation in respect to National Championships. I am confident that, as in the past, this partnership will ensure the success of this year's Championships.

Each competitor and team will no doubt have their own targets to aim at during the course of today's Championships. With this in mind, I take the opportunity to wish each of them an enjoyable and successful day.

Councillor Peter McNamara
Chairman Educational Services Committee
North Ayrshire Council

FILA are delighted to be involved with these prestigious Championships here in Irvine which will provide Scotland's athletes with an opportunity to pit themselves against each other and enjoy fantastic competition.

FILA's involvement will hopefully further the momentum being generated by the Scottish Athletics Federation in revitalising running and athletics in Scotland.

Mark Sinclair
Sports Marketing Manager (Running)
FILA UK

Writing this gives me the opportunity to thank the many people who are contributing to our Championships – the culmination of our winter competitive season.

To our main sponsor, Fila, and to our hosts at the Beach Park and the Magnum – North Ayrshire Council, to Ayrshire Enterprise, to Clif Bar and advertisers, with your generosity we are able to provide better facilities at the start/finish area and improve the course marking and provide prizes as well as medals. The extra showers provided by the T.A. will be welcomed by the competitors.

To our guests and spectators I am sure you will enjoy the excitement of the nine races which cover the age range from u13 to Senior, both male and female – a sport for all ranges of ability. There will be many personal battles as competitors strive to count for their team or even to complete the testing courses in a reasonable time. Whether you be a relative, a friend, a coach or just curious, please encourage the competitors. They will be giving their best and a friendly shout or clap can raise the temp of weary feet. They will appreciate your support as I do yours.

To our long serving officials and helpers who will once again rise to the occasion come sun or showers (it never rains, snows or blows a gale at the Beach Park!) and who ensure with their combined expertise that the Championships run smoothly after many weeks' of preparation, I thank you.

To each competitor, I thank you for your entry. Without you the Championships are nothing. I wish that you race to your potential so that you can be content that your preparation has been worthwhile.

To everyone, with your enthusiastic support I look forward to the continuing improvement in our standards in the coming years.

Thank you and good luck at the start of a Millennium.

Sandy Robertson
Convenor RR and CC Commission.

The AT Mays Trophy for the overall Team performance

Rules determining Winner of Trophy

- Clubs will be awarded points in each race equal to the finishing position of their team.
That is, 1st team (1 point), 2nd team (2 points), etc.
- The AT Mays Trophy will be awarded to the Club that scores the lowest aggregate number of points over the five National Championships calculated as "a" (above).
- If part b fails to obtain a result then only clubs that have finished a senior team and declared teams in all other races are eligible for this Trophy. In this case the Trophy will be awarded to the club with the lowest aggregate number of points calculated as follows:
 - For finishing teams points are awarded as "a" above
 - For declared but non-finishing teams the points awarded will be the highest team placing plus 1.
 The result will be determined for Clubs with 4 finishing teams and if failing to achieve a result, for 3 finishing teams and then 2 finishing teams.
- Clubs not finishing a Senior team are not eligible for this Trophy.
- In all cases in the event of a tie the position of the club finishing highest in the Senior race will be adjudged the winner.

The Pat Spence Memorial Trophy will be awarded for the overall women's team performance
