WELCOME MESSAGES

It is my pleasure to welcome you all to Falkirk today. Once again we are grateful to Falkirk Council for their support of these Championships.

The National Cross Country Championships are always an exciting event and I am looking forward to watching everyone compete today.

The Road Running and Cross Country Commission wish to thank Falkirk Victoria Harriers for their help both today and in preparation of the event. We would also like to thank all those Officials who have helped at many events throughout the Winter, and a special thanks to Jim Young and his "band of helpers" who are first to arrive to set out the course and last to leave, as they have to dismantle the course after the races. Thanks also to all the parents, coaches and supporters who come along to support the runners. Lastly to the athletes - Run well and enjoy the event.

Marjory Cook
Convenor, Road Running and Cross Country Commission

It gives me great pleasure to welcome you all to the scottishathletics National Cross Country Championships 2008. As we build up to the biggest cross country event to be held in Scotland over the past 30 years can I wish all those athletes who have set their seasons target as membership of the Scottish team for the resurrected Home Countries International or the World trials in Nottingham and a place in the GB & NI team for the World Cross Country Championships in Edinburgh at the end of March every success.

Once again this year we are delighted to have Scottish Power on board in sponsoring the event and in providing prizes for the Senior events and the overall Club.

Many people generously give their time in organising an event such as this, and thanks therefore to all those involved - the officials, coaches, Road Running and Cross Country Commission, scottishathletics office staff and the members of Falkirk Victoria Harriers. Without them today's Championships would not take place.

I am sure everyone will enjoy what should be a day of very competitive Cross Country competition and trust the spectators will support all the athletes and help them to produce their best performances.

Have an enjoyable and successful day.

Alan Potts
President, scottishathletics

THE AT MAYS TROPHY FOR THE OVERALL TEAM PERFORMANCE, Rules determining Winner of Trophy

Clubs will be awarded points in each race equal to the finish position of their team – 1st team (1 point), 2nd team (2 points), etc.

The AT Mays Trophy will be awarded to the club that scores the lowest aggregate number of points over the five national championships (calculated as above)

a) If part b fails to obtain a result then only clubs that have finished a senior team and declared teams in all other races are eligible for this trophy. In this case the trophy will be awarded to the club with the lowest aggregate number of points calculated as follows:

- for finishing team points are awarded as "a" above
- For declared but non-finishing teams the points awarded will be the highest team placing plus 1.

The result will be determined for clubs with 4 finishing teams and if failing to achieve a result, for 3 finishing teams and then 2 finishing teams.

b) Clubs not finishing a senior team are not eligible for this trophy.

c) In all cases in the event of a tie the position of the club finishing highest in the Senior race will be adjudged the winner.

The Pat Spence Memorial Trophy will be awarded for the overall women's team performance.
