

HARRIERS

ASSOCIATION RACE.

Renfrew was the scene last Saturday of the Scottish C.C. Association's open distance race. Trail was a double lap one of 7 miles. Individual winner was Lient. G. Burdett (Navy and Shettleston H.), second was J. Howar (Army and Shettleston H.), T. Gibson, Bellahouston just got the better of our own W. Sommerville in the run for third place. Team race was won by Maryhill with Garscube second, Shettleston third and Motherwell Y.M.C.A. fourth.

In the Junior race held over same trail, but curtailed to 3 miles, the team race was won by South Glasgow A.C., with Glasgow Y.M.C.A. second and Shettleston third, our team was 8th.

Years ago a certain football team was known as the "team with all the talents." Maybe we will have the same distinction some day. It is not only in the running world that Motherwell Y.M.C.A. Harriers are known and the latest "Craigie Discovery" is Dick Burt, whose lungs are famous for finishing bursts and are now being used for baritone solos. Dick appeared at the Forces Concert last week.

Next dance will be on Saturday, March 25, in Glencairn School. A.G.M. is fixed for Friday, March 24. Fixture for Saturday first is a Novelty Run for seniors and juniors; time 3 p.m. at Y.M.I.

CRUACHAN.
